

North East Florida Woodturners

Volume 17 Issue 11 November 2017

An Affiliate of the American Association of Woodturners – Club Number 130 - jaxturners.org

President's Message

Our annual Christmas Party will be held on Sunday, December 3 at 5:30pm in the Fellowship Hall of the Shepherd of the Woods Lutheran Church located at 7860 Southside Blvd. All food will be provided by the club but to

add a little additional excitement to this year's party we ask that you bring a turned object (something simple please) for a secrete gift exchange. Each gift will be distributed via a random selection process. If YOU are able to come to the Christmas Party it will help to make it the best Christmas Party ever. Please join us. We just completed our Fall demonstration and hands-on Sunday. I want to thank Steve Marlow for coming to our club and giving a great demonstration on making a bowl from a board. If you missed this demonstration you really missed a good one. Steve has a unique technique for this process and I know everyone in attendance learned something. As we know, the best way to learn something is to do it yourself and those who were lucky enough to participate in the Sunday hands-on left with a clear understanding of Steve's process and two beautiful bowls. As always we thank Jim

Ford for allowing us to meet in his beautiful facility.

I would like to thank everyone who entered an item in the Greater Jacksonville Woodturning Exhibition. We had over 30 items entered and the judging results are in. Please join me in congratulating the following winners. In the "Brown and Round" division: 1st place- Paul Rushton, 2nd place- Tina Minahan, 3rd place- Mark Wood. In the "Enhanced" division: 1st place- Ed Malesky, 2nd place- Tina Minahan, 3rd place- Keith Larrett. Best item by a new turner: Danny Aaron. Again I want to say, THANK YOU, to everyone who contributed an item to the exhibition. Finally, I want to thank Keith Larrett for his demonstration on turning an "End Grain Hollow Form". Keith always does a professional demonstration. We are so fortunate to have such a quality demonstrator as a member of our club. Don't miss the November meeting as we will have another "professional" level demonstration with Ed Malesky demonstrating "Turning Christmas Ornaments". Additionally, don't forget we will hold elections for new club officers at the November meeting.

Committee Notes

Safe Harbor – Kay Sievert

We are waiting to hear from Safe Harbor that they are ready to restart the Woodturning program. They were hit by a tornado during Irma and their docks and boats for housing the boys were destroyed.

New Members – Paul Rushton

Good work everybody. It was our best year for new members ever. Let's keep the momentum going next year.

Website – Keith Larrett

The handout from Steve Marlow's demonstration has been added to the website. You can find it, along with many other tutorials, at the following link:

http://jaxturners.org/?page_id=27

Treasurer – Kathy McCall

Now accepting 2018 Dues – Remember dues for next year are \$35

Library – Liz Jensen-Forbell

The 2017 Florida Symposium discs are in for you to check out

Wood Raffle – Barbara Hahn

Don't be hoarding all that storm wood! Bring some in for the raffle!

Meeting Demos – Tina Minahan

Well it's been a month and we have only received one response from our membership letting us know what she would like to see for our club demos. Kindly send us an email

with your ideas for 2018 demonstrations. Please send them to Tminahan@hotmail.com and Daniel Callahan, cymbrogi@gmail.com. Daniel and I will be working together in setting up our monthly demonstrations.
Tina.

National Demos – Ed Malesky

Thanks to the members that signed up to work ZooLights. We need three more people willing to work two nights or six people doing one night. Right now, we have Kat McCall, Paul Rushton and Daniel Callahan that need a partner to work with them.

We can always use some extra people to join us to give people a break. It's pretty steady work from 6:30 to 9:30, so if you're concerned that you can't turn that long, sign up for one of the days that already has two people working so that you can all spell each other.

Remember that our demo this month will show you how to make 8 of the most popular ornaments. By no means do you need to learn them all, but learning one or two will really make some kids happy.

Secretary – Don Penny

The Fair was a great effort by you guys. The judges were very complimentary about the quality of the entries and the growth of the club.
